

Fellowships & Undergraduate Research Mini-Series 2023

There are awards for students at all stages (undergraduate, graduate, professional) – and even alumni. It is never too early to start learning about these opportunities. **Please note dates and times.**

Introduction to Office and Q&A Sessions

Haven't heard of the Office of Citizen Scholar Development? Don't know what fellowships are? Come listen to a brief introduction of the office followed by a time for Q&A. This session is very helpful for students and alumni who have yet to interact with the Office of Citizen Scholar Development.

23 May – 1:00 pm – 2:00 pm

25 May – 4:00 pm – 5:00 pm

REGISTER HERE: <https://virginia.zoom.us/meeting/register/tJYvcOyrqTsrE9bmk1dOvv7FyAdPFeAVX-wp>

Information Sessions from 11:30 am - 12:30 pm

22 May – Fulbright US Student Award | [us.fulbrightonline.org/](https://www.fulbrightonline.org/)

A year abroad to research, study, make art, or teach English. This is specifically geared toward fourth years, graduate students, or alumni, who are eager and ready to get to work on applications for the fall. The session will cover information on the Fulbright US Student Award and dive into strategies for getting started.

24 May – Rotary Global Grants

Join us for an information session on the Rotary Global Grants, which support international projects and graduate study related to one of Rotary's seven areas of focus: promoting peace; fighting disease; providing clear water, sanitation, and hygiene; saving mothers and children; supporting education; growing local economies; and protecting the environment. We will talk about the overall grant and processes you can expect.

26 May – UK Awards (ex. Churchill, Ertegun, Gates, Marshall, Mitchell & Rhodes)

A number of excellent graduate school opportunities in the United Kingdom and Ireland. Come learn what they are, what it takes, and how the University of Virginia can support you. Interested but not sure if you are qualified, come find out for sure. Rising fourth years are strongly encouraged to attend so they do not fall behind!

29 May – Goldwater Scholarship | goldwater.scholarsapply.org/

Do you love research? Are you considering pursuing research science, mathematics, or engineering as a career? Are you simply a STEM student and want to at least explore an exciting opportunity? Come learn about the award and the process for nomination by the University of Virginia. Apply as a second or third year – so first years should definitely come!
