

## Chair's Advisory Committee (CAC)

### Overview

The Chair's Advisory Committee consists of the Associate Chair, DGS, DUP in Spanish, DDEI, and Director of Graduate Admissions.

### Appointments

The service term is equal to the terms of those service roles (Associate Chair, DGS, DUP in Spanish, DDEI, and Director of Graduate Admissions), which are typically three years. The Chair may reappoint faculty to those roles if necessary (i.e., inclusion, equity, faculty request, etc.).

### Meetings

The Chair's Advisory Committee meets as needed, but usually once a semester to discuss Department priorities and mission.

### Responsibilities

The Chair's Advisory Committee advises the Chair in representing the faculty in advancing Department priorities and mission.

The Chair's Advisory Committee is purely advisory; it holds no executive power. Consequently, there is no voting protocol.
